Witness Statement of Derek Huang (Security Guard)

WITNESS STATEMENT

Case Reference: CASE-20260103-d1e9d8b9

Statement Date: janvier 03, 2026

STATEMENT:

I, Derek Huang, am employed as a security guard assigned to the facility. This statement is made in the first person and reflects what I personally observed.

Statement date/time: **2026-01-02T22:30:00-05:00**.

My duties include monitoring entry/exit points, conducting routine rounds, and observing the CCTV feed when assigned. I am providing this account to document my observations around the reported incident window.

On **2026-01-02**, I was on duty during the evening shift. I started routine monitoring and rounds as assigned. During this period, I observed normal foot traffic and standard operations.

At approximately **2026-01-02T20:58:00-05:00**, I completed a pass by the main corridor and checked the immediate area near the access-controlled door. I did not observe any forced entry indicators at that time.

At approximately **2026-01-02T21:07:00-05:00**, I returned to the security desk and looked at the CCTV monitor for the corridor and entry area. The camera view was active. I noted movement consistent with staff activity but did not see an obvious confrontation or emergency.

At approximately **2026-01-02T21:18:00-05:00**, I was notified that there was a concern requiring attention. I moved toward the reported area at a walking pace and arrived within a few minutes. I remained focused on scene safety and preventing additional access to the area until operations leadership arrived.

My observations align with captured security materials associated with **EV003** and **EV008**. I did not handle or move any items connected to the incident.

I am not aware of any prior disputes connected to the incident. I did not hear alarms or see obvious signs of damage during my earlier pass.

I can identify the general camera angles I reviewed and the approximate times I checked the feed; however, I cannot confirm precise seconds without reviewing the recorded footage directly.

If needed, I can assist in locating the relevant CCTV views referenced above (EV003 and EV008) and describing what I observed on the monitor during the time window.

Witness: Derek Huang

Role: Security Guard

Date/Time Signed: 2026-01-02T22:30:00-05:00
