Reporting Party and Location

Reporting Party and Location

- **Reporting Party:** Store management representative (name withheld)
- **Business:** Brookside Community Market
- **Location of Reported Loss:** Back office / safe area (restricted access).

Incident Summary

Incident Summary

Management reported that a sealed deposit bag prepared for bank drop was not located where it was expected to be stored in the safe area. Reporting party stated the deposit bag was believed to have been secured during the prior closing process and discovered missing during routine morning checks. No forced entry to the store was reported at the time of this initial call. The reporting party requested documentation of the incident and guidance on preserving video and paperwork for follow-up.

Persons Involved (Employees with Access)

Persons Involved (Employees with Access)

Employees identified by management as having potential access to the back-office safe area during normal operations include:

- **S001** (employee with access as assigned)
- **S002** (employee with access as assigned)
- **S003** (employee with access as assigned)

Note: This list reflects access roles as reported at scene and is not a determination of responsibility.

Issued on: 2026-01-02 09:36 (-05:00)

Initial Police Report – Missing Sealed Deposit Bag (Brookside Community Market)

CONFIDENTIAL • LAW ENFORCEMENT SENSITIVE

Scene Description (Back Office Safe Area)

Scene Description (Back Office Safe Area)

Back office described as a restricted room with a safe/cash-handling area and a work surface used for closing documentation and deposit preparation. Officer observed no obvious signs of forced entry into the office area at time of response. Area was in normal operating condition. Management was advised to limit access and avoid moving paperwork or containers related to deposits until follow-up review.

Timeline Summary (Known Events)

Timeline Summary (Known Events)

Known events were reviewed at a high level based on management statements and available store records:

- **E006:** Deposit handling activity associated with prior closing (time per store records).
- **E007:** Deposit expected to be in secured storage following closing procedures.
- **E009:** Morning discovery of missing sealed deposit bag and internal check prior to calling police.

Exact times and custody details to be verified in supplemental documentation review.

Evidence Collected / Requested

Evidence Collected / Requested

No physical items were seized during this initial response. The following items were requested for preservation and later review:

- **EV011:** Video footage covering back-office access points/time window identified by management.
- **EV012:** Still images/export(s) if available for key access moments.
- **EV008:** Closing paperwork relevant to deposit preparation/storage.
- **EV009:** Safe log and/or access record for the relevant period.

Management advised to preserve originals and provide copies via agreed method.

Witness Statements (Summary)

Witness Statements (Summary)

- Reporting party stated the deposit bag was believed to have been sealed and placed per procedure during the prior closing and was not located during morning verification.
- Reporting party stated only employees with assigned access should have been able to enter the safe area, and routine business operations continued after discovery pending guidance.

No formal written statements were taken on-scene; interviews to be scheduled.
