Witness Statement of Owen Patel (Early-Morning Stock Clerk)

WITNESS STATEMENT

Case Reference: CASE-20260102-1f17e3f1

Statement Date: janvier 02, 2026

STATEMENT:

I, Owen Patel, am an early-morning stock clerk. I am providing this statement voluntarily.

****Statement Date/Time:**** 2026-01-02T11:00:00-05:00

I understand this statement is about what I personally saw and did during my shift. I will describe events in order and only include details I directly observed.

I arrived for my early shift and entered through the usual employee entrance. I began routine stocking tasks and trash removal. I did not speak with customers at that time.

During the early hours, I noticed that something was not normal near the back-of-store/stock area. I saw signs that an area had been accessed or disturbed compared to how it normally looks at the start of my shift. Because it looked off, I stopped what I was doing and did not touch anything in that area.

I reported what I saw to management as soon as I could. I stayed nearby but kept my distance so I would not change anything. I then continued with other tasks away from the area until I was given instructions.

I later learned that the situation was being documented and handled through the formal process. I understand that items and observations connected to what I noticed may be reflected in evidence records ****EV009**** and ****EV010****.

I did not see who may have been involved, and I did not observe anyone actively doing anything at the moment I noticed the issue.

I did not handle any suspected item, container, or surface in the area I reported. I did not clean, move, or throw away anything from that location after noticing it.

No one asked me to review video or check any system. I can describe the general condition I observed (looked disturbed compared to normal), but I cannot identify a cause.

If needed, I can point out the area I observed and explain what it typically looks like at the start of my shift versus what I saw that morning.

****Witness Name:**** Owen Patel

****Role:**** Early-Morning Stock Clerk

****Statement Date/Time:**** 2026-01-02T11:00:00-05:00

I have read this statement or had it read to me. It is true and correct to the best of my knowledge.
